

Homeowner Profile Information Correction Notice

Dear Village Homeowner:

Last week, a double-sided pre-filled Homeowner Profile Information form was mailed/delivered to all members along with the 2020 Village Budget & Policy Statement.

An error was discovered on the second sentence of the Homeowner Profile Information form. That information states, "If the information is correct and there are no changes needed, do not return this document."

It should have stated: ***It is MANDATORY that owners sign and return the form to HMC in order to receive a 2020 parking pass. Failing to return the form within 60 days can result in disciplinary action.***

Therefore, owners **MUST** submit a completed, signed form to David Diers or to Horizon Management in order to receive the 2020 parking pass, or by fax to: 310-543-5578. If you misplaced the form that was sent to you a week ago, please email Farra at Horizon Management for a new form at farra@horizonmgmt.com.

We apologize for any inconvenience this may have caused, thank you in advance for your cooperation. Happy Holidays.

- The Village COA
